Mission Statement:

To promote the growth and development of the sport of amateur figure skating from beginner to the elite level in all disciplines including singles, pairs, dance, adult, synchronized team skating, artistic and theatre on ice.

Benefits of Membership

US Figure Skating Membership included with Club Membership

The Old York Road Skating Club is an active club, both competitively and socially, and welcomes skaters of all ages and skill levels. Our primary interest is supporting our members and helping each achieve their personal skating goals. Our Club is affiliated with US Figure Skating, the national governing body for the sport of figure skating in the United States.

The Old York Road Skating Club membership year coincides with that of US Figure Skating and runs from July 1 through June 30.

Subscription to US Figure Skating's Skating magazine: One free subscription is provided at each membership level.

Seminars and Exhibitions: Opportunities to perform in exhibitions and non-competitive skating shows are available throughout the year. Various development seminars, some of which are free or provided at a reduced fee to Club members, are also offered.

Volunteer Opportunities: There are many opportunities for skaters and non-skating members to get involved both on and off the ice. To assist in offsetting the cost of membership, we offer our members the opportunity to volunteer for various club-sponsored events. Volunteers are provided a \$5.00 discount for every two (2) hours served up to a maximum discount of \$30 (15 hours). The discount is earned in the current skating season and applied to your dues the following year. Volunteers are responsible for keeping track of their hours on the Volunteer Hours Form and having the form signed by the coordinator of each event/area where volunteer hours are worked. The Volunteer Hours Form must be turned in with your 2009-2010 Membership Renewal Form to receive the volunteer discount. Our ability to host quality competitions is directly related to volunteer involvement, and volunteering is a great opportunity to learn more about the Club and to meet new members!
